

Luxoria

Infused with the spirit of the Art Deco movement

Step into a realm of opulence and sophistication with the Luxoria collection, inspired by the enduring and iconic Art Deco style of the roaring twenties.

Despite its streamlined appearance, Luxoria features exquisite detailing where decadent and stylised geometrics showcase fine craftsmanship and attention to detail. Structured shapes seamlessly intertwine alongside fluid and dynamic patterns of marbling and plumage for elaborate ornamentation.

From sumptuous, tactile velvets to lustrous mixed media jacquards and elegant embroideries, each fabric has been designed to bring a touch of modern glamour to every interior.

Colour palettes are rich and refined, ranging from deep jewel tones evoking a sense of regality, to sophisticated neutrals exuding timeless elegance. Luxoria is a harmonious blend of strong lines and fluid forms for a stylish and modern space.
