

# BARNWOOD

BY BYRON AND BYRON

An innovative and unique collection inspired by the organic aging process of wood. Six finials are available in the collection in 8 natural finishes. For a rustic edge, we have designed Saltash, which is bound by rope for an earthy effect. Each piece is hand-crafted, finely finished by experienced craftsmen and produced using the finest timbers. All here in Britain.

# ADDITIONAL SERVICES

## **Cording and tracking**

We can supply any of our 45mm/55mm poles tracked and corded. Please see the cording template in the price-list. Select your choice of pulley direction and send to the sales office along with your order or quotation request.

## **Decoupage**

We can cover our poles with the client's own fabric or wall paper. Please contact sales for information and we will advise.

## **Bay-poles 'Metamorph'**

Our Bay poles are carefully engineered to follow the unique form of your bay window. Available in 45mm/55mm diameters, with rings only.

## **Nylon Strip**

A nylon strip is an additional service that is fitted to the top of the pole to help your rings to glide smoothly when pulled. We recommend a nylon strip especially if your curtains are heavy or lined and interlined or if the client would prefer a quieter closure of the curtains.
