

HALLIS HUDSON

eden

Welcome to the Eden Collection, a wooden pole range of natural beauty.

Not only is Eden made from wood sourced from forestry commission, responsibly managed forests, but we are delighted to have partnered with One Tree Planted, and for every Eden complete curtain pole set sold we will plant one tree.

One Tree Planted are a non-profit organisation that is dedicated to global reforestation. Trees clean our air and water, create habitat for wildlife and contribute to our health and well-being. One Tree Planted work globally to restore and protect our forests, initially we will direct our donations towards the United Kingdom to help rebuild our glorious forests, which have suffered from extensive deforestation. Trees are essential in helping to protect the health of our planet and reducing the harmful effects of climate change, and we are honoured to be working with One Tree Planted.

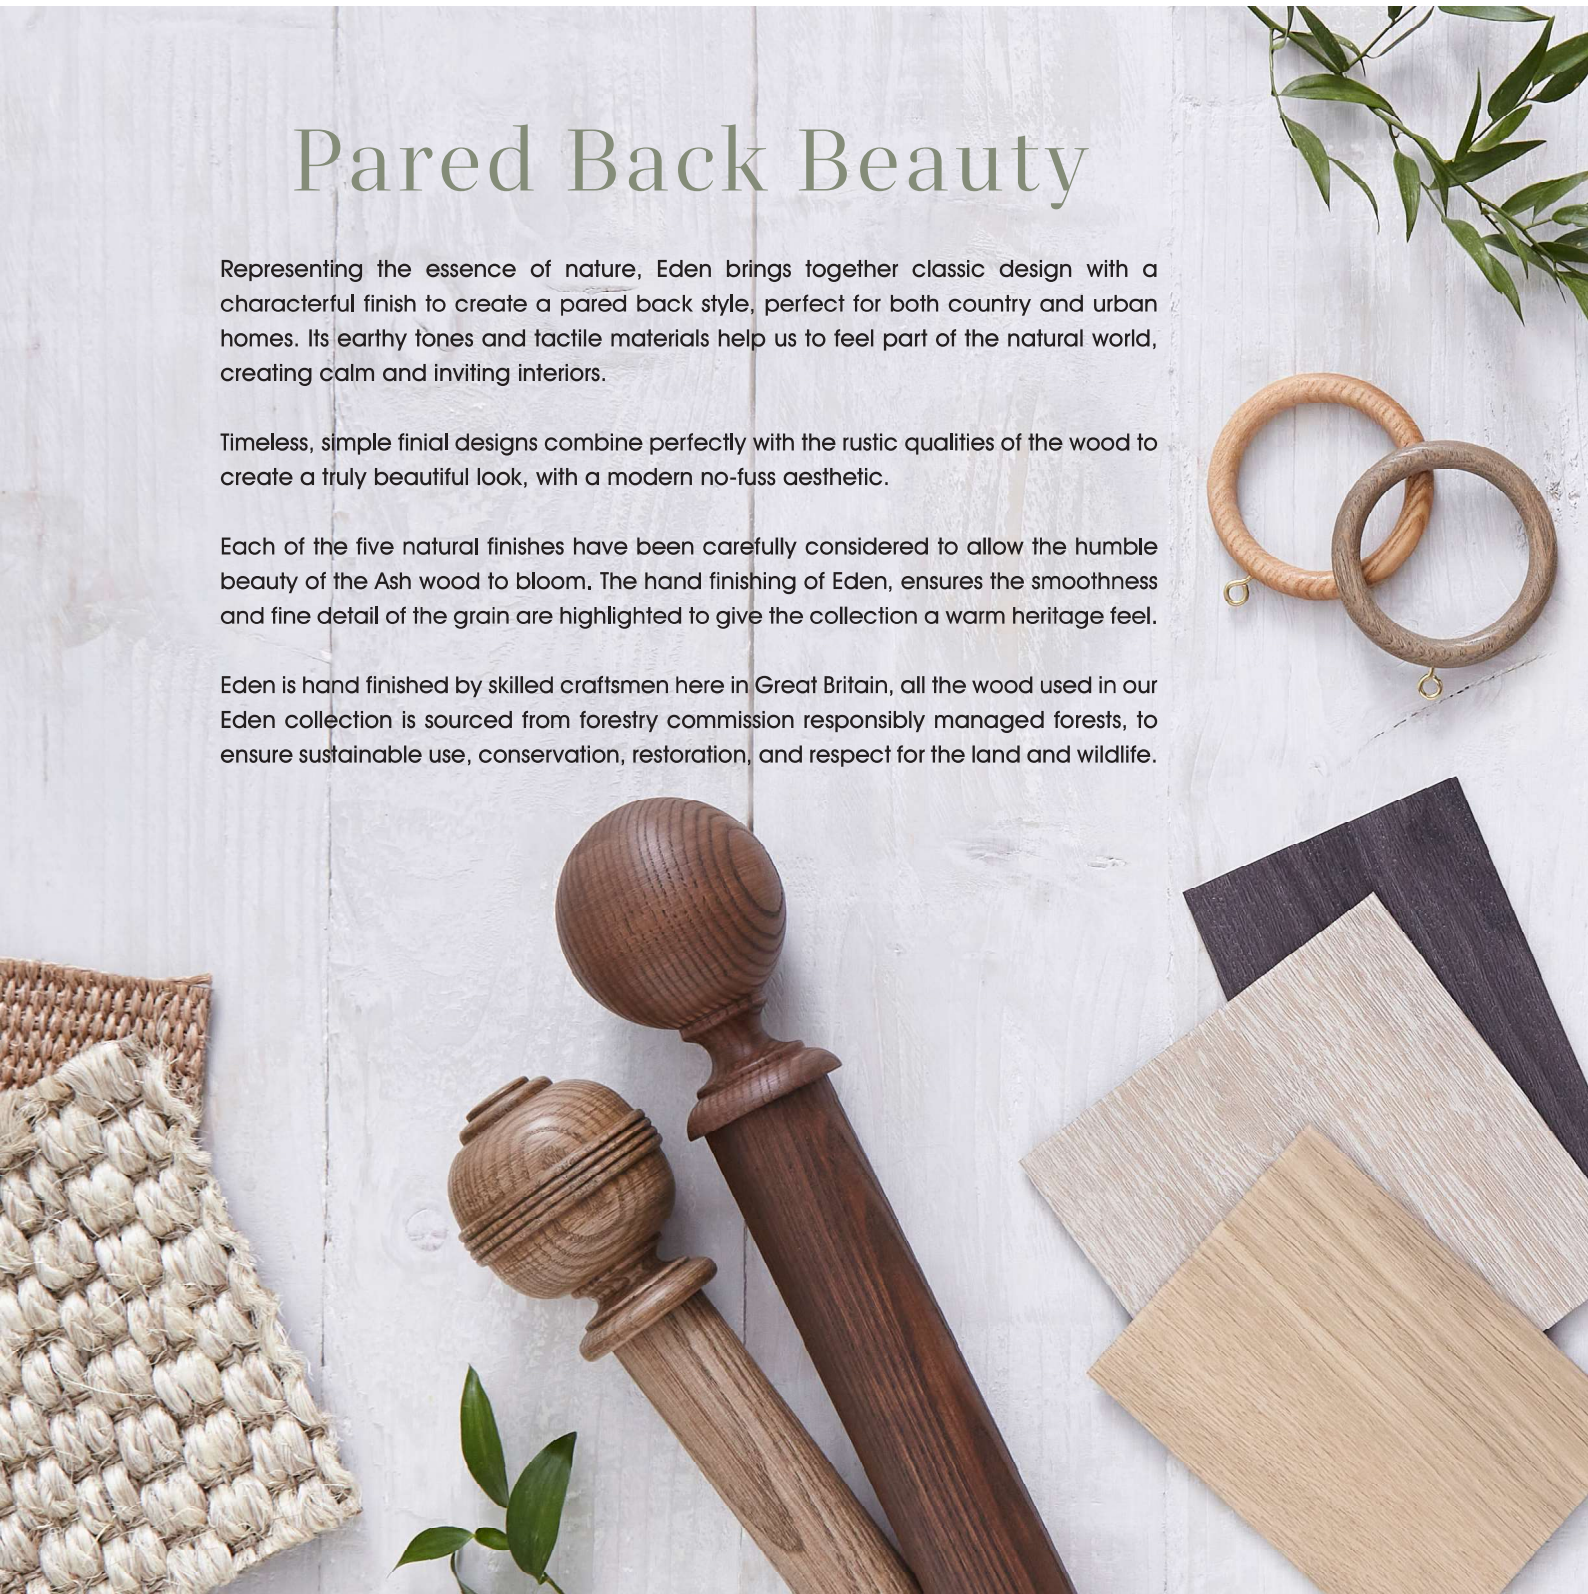

Pared Back Beauty

Representing the essence of nature, Eden brings together classic design with a characterful finish to create a pared back style, perfect for both country and urban homes. Its earthy tones and tactile materials help us to feel part of the natural world, creating calm and inviting interiors.

Timeless, simple finial designs combine perfectly with the rustic qualities of the wood to create a truly beautiful look, with a modern no-fuss aesthetic.

Each of the five natural finishes have been carefully considered to allow the humble beauty of the Ash wood to bloom. The hand finishing of Eden, ensures the smoothness and fine detail of the grain are highlighted to give the collection a warm heritage feel.

Eden is hand finished by skilled craftsmen here in Great Britain, all the wood used in our Eden collection is sourced from forestry commission responsibly managed forests, to ensure sustainable use, conservation, restoration, and respect for the land and wildlife.

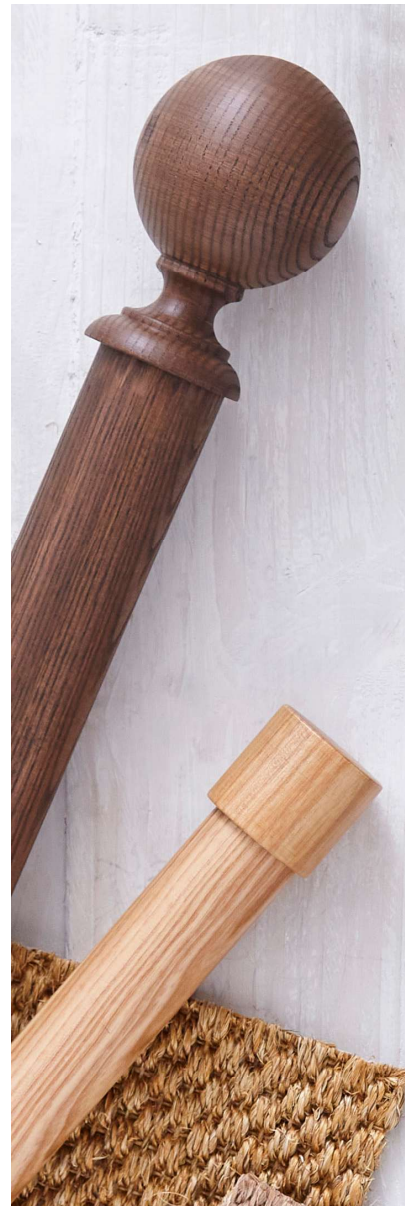

Simple Solutions

The Eden Collection is available in 35mm and 45mm diameters, with tracked pole corded and uncorded options on the 45mm diameter, in a variety of lengths, to help you find the right proportions for your scheme. Poles up to and including 240cm are supplied in one piece, whilst poles 300cm and above are supplied in two pieces with a joining screw and three brackets.

35mm diameter pole available in: 150cm | 180cm | 210cm | 240cm | 300cm | 360cm | 420cm

45mm diameter pole available in: 150cm | 180cm | 210cm | 240cm | 300cm | 360cm | 420cm | 480cm

Oatmeal

Oatmeal allows the beauty of the grain to shine through. Light in colour, this fresh chalky shade is truly versatile, creating a wonderfully clean and contemporary look, whilst inspiring a calm and relaxed feel in the home.

Natural

The natural beauty of the Ash wood with its distinctive grain is clear to see. Showcased by a subtle finish this shade comes alive with the natural character and warmth of the wood. It offers timeless style and seemingly effortless design that will appeal for years to come.

Sisal

With its distinctive tone akin to the natural fibres of the Sisal plant, this attractive neutral colour enhances the rustic qualities of the wood, creating a finish that is perfect for both modern and traditional spaces.

Cocoa

Dark, elegant, and indulgent. A sumptuous shade, the rich, dark chocolate tones of the gorgeous Cocoa add warmth and style to any room. A classic colour that works beautifully with any décor.

Umber

Sophisticated and distinct, this is a colour with real depth. Originating from Italy and originally known as the 'earth of shadows', Umber is a colour with a long history. It is rich, bold and full of character.

Corded & Uncorded Wood Poles

Combining the beauty of a wood pole with the smooth functionality of a premium Silent Gliss track, any 45mm Eden pole can be ordered as a made to measure tracked wood pole, corded or uncorded to allow an added level of convenience and control. All made here in Great Britain and hand finished to your exact specification.

Our Tracked wood poles offer a choice of two Silent Gliss track systems, 6870 for uncorded and 3870 for corded. Cord operated tracks avoid the need to handle the fabric and easily control heavy or inaccessible curtains.

Your curtains can then be hooked onto the gliders in the track, removing the need for rings. This gives a stunning look allowing the warmth and texture of the wood pole to shine through and ensures the curtain heading sits much tighter to the pole, for a neat finish. Customise your scheme to suit individual tastes and complement your Eden pole, with traditional pencil or pinch pleat curtains or the more modern wave style.

To order Eden Corded or Uncorded Wood Poles use item no. **EDEN/MTM**
